

PLAN PURCELLVILLE PLAN REVIEW OPEN HOUSE

WELCOME!

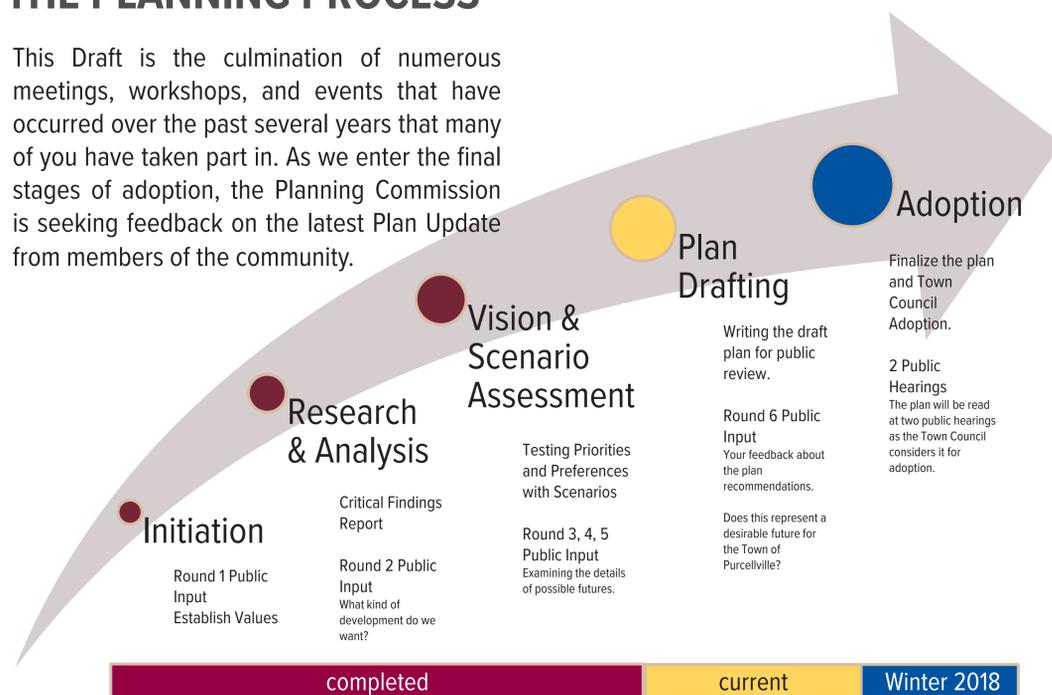

The Town of Purcellville Draft Comprehensive Plan is available for review and comment, and we want to hear from you!

The Comprehensive Plan is an important set of policies and goals that guide the future development of the Town. Purcellville's current Comprehensive Plan was adopted in December 2006 and looks forward to the year 2025.

The Plan will incorporate changes the Town has already seen over the past decade and reflect Purcellville's vision for the Town into the future. Input from community members like you is essential in the comprehensive planning process!

THE PLANNING PROCESS

This Draft is the culmination of numerous meetings, workshops, and events that have occurred over the past several years that many of you have taken part in. As we enter the final stages of adoption, the Planning Commission is seeking feedback on the latest Plan Update from members of the community.

THE OPEN HOUSE

Both sessions today are identical self-guided poster presentation with the opportunity for participants to provide written feedback and comments and to speak with staff and commission members. Participant feedback will further guide the Planning Commission's effort on the Plan Update.

HOW TO PARTICIPATE

1. Review the content of the posters and plan

The plan is presented at 8 stations organized by the plan chapters. Several copies of each chapter of the plan are provided at the corresponding station so you can read the full text.

If you need more time to review the full content of the draft plan we have full copies in the W&OD Room across that you can review here. Or you can go online and download the digital copy for yourself and fill out the online comment form.

2. Write down your comments and ideas

Newsprint and comment forms are provided at each station. It is very important that you provide us with written comments as this is the only way we can be sure we captured your thoughts. If you need assistance please speak to one of the members of Planning Commission or Town Staff, we are happy to help make sure your comments are recorded.

You can also take copies of the comment form with you and return them to Town Hall by October 27th.
