

Plan Purcellville, 2018 Comprehensive Plan - Version 5.0 Errata

Use the “New version” cover montage (below) rather than the “Current version” because it’s a more iconic representation of the Town.

The second page of this errata, labeled “Acknowledgements” is to completely replace the similarly titled page in the Plan Purcellville Version 5.0, as provided by the consultant (McBride Dale Clarion).

The third page of this errata, “The Land Use Map” is to reflect the land use categories as adopted by the Planning Commission and therefore shall replace any conflicting land use categories indicated on any and all map exhibits throughout Plan Purcellville Version 5.0, including the “Comparison of 2006 to 2018 Land Use Maps” contained in the supporting documents, as provided by the consultant (McBride Dale Clarion).
